### Help My Unbelief: Doubt is not the Enemy of Faith

*Barnabas Piper*

Piper unpacks what faith really means. He shows how embracing doubts and questions can help us to get to know God better, and he encourages us to trust God in our everyday lives, even when we don't understand everything about him.

### Doubt: Trusting God's Promises

*Elyse Fitzpatrick*

Christians who struggle with doubt feel deep discouragement—but they should not feel alone. Fitzpatrick takes a look at famous Bible characters who doubted, offers support for our beliefs, and explores God's promises for those of little faith.

### After Doubt: Question Your Faith without Losing It

*A.J. Swoboda*

Is there a way to walk faithfully through doubt and come out the other side with a deeper love for Jesus, the church, and its tradition? Drawing on his own experience of deconstruction, Swoboda offers tools to help adults navigate their faith in a hostile landscape. *After Doubt* offers a hopeful, practical vision of spiritual formation for those in the process of faith deconstruction and those who serve them.

### Searching For Enough: The High-Wire Walk Between Doubt and Faith

*Tyler Staton*

A unique and validating look at the tension between disillusionment and a desire for truth, *Searching for Enough* helps you see your doubt not as an emotion to fear but as an invitation to be followed. Whether you are a distant skeptic, an involved doubter, or a busy but bored Christian, Staton invites you to find enough in a God who offers the only promises that never disappoint.
